REVOLT IS SPREADING

4,000 Carranza Troops At Parral And
Jimenez Reported to Have Gone
Over to Revolutionists.

Agua Prieta, Sonora, April 29.—Mazatlan, Sinaloa, a port on the Pacific coast of Mexico, is being attacked by revolutionary forces under Gen. Angel Flores, according to report received at military headquarters here yesterday.

General Francisco R. Serrano has been appointed military commander in Chihuahua by the revolutionists, it was announced by General Calles.

Approximately 4,000 Carranza troops at Parral and Jimenez, Chihuahua, revolted Tuesday, according to information given out here by General Calles.

The troops at Parral were commanded by General Antonio Amarillas and the troops at Jimenez, by General A. Gomez. They revolted simultaneously with the infantry regiment commanded by Colonel Francisco del Arco, at another point in Chihuahua. The troops were under the supreme command of General Joaquin Amaro, who also was said to have joined the revolt.

The newest revolt in Chihuahua, it is said, will give the revolutionists large quantities of ammunition and other war supplies. Airplanes in Chihuahua used by the Federalists against Francisco Villa, also have fallen into the hands of the revolutionists, it was said.

The Chihuahua revolutionists, it is announced, now outnumber the men President Carranza has massed on the Chihuahua border for an attack of Sonora.

An amalgamation of revolutionists concentrating in this district with the new rebels in Chihuahua for an active campaign against Carranzistas in Northern Mexico was forecast.

JUDGE TURNS DOWN PLEA

Richmond, April 29.—In the civil justice court yesterday one of the most unique cases on the court's docket in a long time was decided in favor of the defendant. The case centered around a diamond ring which was given Miss Theresa Lulhard about four years ago by A. A. Thorpe, and which he later demanded back. At first the young lady showed a willingness to return the ring, at which time he did not take. However, the plaintiff later on changed his mind, and so did the young lady, after which suit was instituted. Judge Tucker did not hesitate a minute in rendering his verdict. Attorney for the defendant made out a clear case of gift, while the attorney for the plaintiff contended that his client gave the diamond ring, which was engraved with the young lady's initials, on the condition that she would return it if he ever wished it.

The plaintiff testified that when he bought the ring the price was \$135. He was suing for \$250, which amount he said the ring had advanced since June, 1916.

SEEK CONVENTION

Organize Minstrel Troupe—Plan De-
gree Work for June 14—Two Trust-
tees Chosen

A large membership attended the regular bi-monthly meeting of the Knights of Columbus in St. Mary's Hall last evening. Among the subjects treated at this meeting was the celebrating of the 20th anniversary of the founding of Fitzgerald Council. Initial steps have been taken by the entertainment committee to celebrate the anniversary, which falls on Thursday, July 15th, in an elaborate manner. The council voted in favor of the Knights of Columbus minstrels, which is being organized by C. M. Horgan, in which will assist a large number of members of Fitzgerald Council, as well as a number of the young ladies of St. Mary's parish.

The recently elected delegates to the State Convention, which will be held in Norfolk on May 25th and 26th, were instructed by the council to extend to the State body an invitation to hold the next State convention in Alexandria next year. It will be recalled that the State Convention of the Knights of Columbus was held in Alexandria some years back, and it was stated by one of the brothers, who is a frequent visitor at the annual conventions, that the name of Alexandria has ever lingered in the memory of those who were entertained at the Alexandria Convention. F. T. Quinn was unanimously elected to succeed W. J. Green as recording secretary; M. J. McFarland and M. E. Green succeeded two of the recent trustees whose terms expired; F. T. Quinn was elected custodian of the loan committee.

Plans are on foot for the exemplification of the 3rd degree of the order on June 14th, at which time it is expected that a number much in excess to last year's class will be initiated.

SPORTS

The Virginia Athletic Club is endeavoring to show their true worth on the diamond to the fans of Alexandria and under the captaincy of "Jumbo" Reason are rounding a fast team into shape for the coming season.

Owing to the shortage of suitable diamonds in Alexandria they have been forced to arrange the majority of their Sunday games away from home but have managed to book several good games for Saturday evenings on the Alfred Street diamond. The fans may feel assured of real action at these games.

The Virginians are composed mostly of the younger element of the city, and though classed by some as "kids" feel sure they can hold their own with any comers. They claim nothing all they ask is a square deal.

What should prove to be a game of real action has been scheduled with the Shamrock Athletic Club, of Washington, for Saturday, May 1, on the Alfred Street diamond at 3 p. m.

Practice for the Virginians will be held this afternoon and Friday on the above diamond at 5:30 p. m. All candidates are requested to be on hand.

A meeting of the Virginia Athletic Club will be held tonight at the clubhouse, 407 of Wolfe street, at 8 o'clock. Every member is requested to attend.

DREADNAUGHT MINSTREL AND ATHLETIC SHOW

Are you going? That is the question now being asked about the second Athletic Carnival and Minstrel Show of the Dreadnaught A. C. at the Opera House, Monday Evening, May 3rd, 1920.

This show will far surpass the other given on March 15, 1920. Plenty of excitement, plenty of good hearty laughs for everyone who attends. Is there an Alexandrian who would hold back and not attend this show to this great cause. It has been the great support given by Alexandrians fans to their athletic teams that has helped to go far towards bringing success against our well known rival Washington. Are we going to back down and let success fail? No. Lets keep it up citizens and show your support Monday night.

The show will present the Mason-Dixon players minstrel as it opening number. This organization led by Bernie Hamilton has met with great success in Washington and vicinity during the past season.

Mr. Sutton, "Slim" Hinken, Haslett and Johnny Arnold are his assistants. Abe Kaminsky, famous jazz band will furnish the music, these musicians come from Washington and are known throughout the south.

Lewis and Edmunds assisted by Garner & Wolfe, in a sketch entitled "A Little Bit of Everything" are well worth the price of admission.

One of the main attractions will be the Bolling Field Wrestlers in bouts with the Dreadnaught Men. The bouts will be as follows:

Beaton, D. A. C. vs. Bertuci, Bolling Field, 128 lb. class; H. Leverian, D. A. C. vs. Ballard, Bolling Field, 135 lb. class; Earl Cornell, D. A. C. vs. Muller, Bolling Field, 145 lb. class.

Other features will be boxing exhibitions and fancy dancing. "Men" don't forget to bring the ladies, they will enjoy the show as much as you.

On Sunday, May 2, the Dreadnaught regulars will play the strong Navy Yard Team of Washington, and a good game will be on hand for those who attend. This game will start promptly at 2 p. m. The Dreadnaught Reserves will play the Winton A. C. of Washington at 3:30 p. m.
